

Pam Noel studio

Reminders

- Tuition is \$85 per month and is due in advance on the first of each month. Music for the student (if any) will be added to the monthly statement.
- I cannot guarantee make-up lessons. There will be occasional make-up days for lessons missed due to illness.
- Students are expected to practice 5 days a week; not on their lesson day or "day off" (students choice). If a student does not make progress or shows a lack of interest, he/she will need to discontinue lessons. Amount of practice time varies with level.
- Group classes are very beneficial and I encourage you to make them a priority. On holiday weeks such as Thanksgiving, a class will take the place of regular lessons. Other times, classes will be in addition to lessons. I understand that every student may not be able to attend every class.
- The teaching schedule is generally structured around the Shelby County school calendar; however, I will teach on Mon. holidays unless we are having a group event that week. Every student will have the same number of private lessons and group classes.
- Students can work toward end-of-year awards by accumulating points, beginning in September. A point sheet will be provided; all ages have an equal chance to win awards. (Check out the website to see last year's winners at pamnoelstudio.com.)
- When the student before you comes out, please come in without knocking or ringing the bell. If the student before you cancels, I will come out and tell you.
- If possible, have a tote or book bag to carry music. If music gets wet, it is never quite the same.
- A fall/winter calendar will be out in September listing all studio events. Please feel free to call me with any questions you might have.
